LEARNING COMMONS: *Textbooks - Check with your learner to make sure they have all required textbooks for their classes. If they have dropped a class for which they received a book, please have them return it as soon as possible. All textbooks should be checked for damages and reported to the learning commons by Sept. 6, 2019. Learners have access to class sets in the classrooms.

*Ninth grade textbooks will be issued the first two weeks of school as needed with the classroom teacher.

Chromebook Insurance - If you have checked out a school-issued Chromebook, you may be interested in insurance to cover accidental damage or loss for the 2019-20 school year. To purchase this insurance go to the website and complete the Worth Group insurance form linked here. This optional insurance is $22.

When completing the insurance form, you will need to select the model of your Chromebook from a drop down menu. The menu has a choice of three different models listed. To determine which model you have, look at the cover. The HP model is clearly labeled with a big HP logo. The Dell 3180 and 3120 models look very similar. The Dell 3180 model is labeled on the back of the device under the serial number with a 3180. If you find no model number there, you have a Dell 3120.
