AUTHORIZATION TO RELEASE STUDENT RECORD INFORMATION TO THE UNIVERSITY OF CALIFORNIA

Student's Name: _____ Student ID # _____

I hereby authorize Portola High School to release student record information, including student name, addresses, e-mail address, and transcripts, to the University of California. I understand that only University of California personnel and their authorized agents will have access to my child's student record. Student information, including names and addresses, will not be given to others for any purpose. This information will be utilized only by the University of California to implement and support the Eligibility in the Local Context (ELC) program, to evaluate the ELC program, and to invite students to apply to the University of California.

I understand that signing and returning this authorization does not guarantee that my student will be identified among the top 9 percent of all participating schools. Should I have any questions regarding the ELC program and the selection criteria I understand that I must contact the ELC program directly. My student will be responsible to check if he/she has been designated through the My UC Application page.
