ATHLETICS SUMMER SKILLS CAMPS: This is **a reminder** that registration for our 2026 Athletic Summer Skills Camps remains open for **one final week**. Camps will be finalized on June 1 based on registration numbers and available funding. These camps provide students with opportunities to build fundamental skills, participate in conditioning, and connect with our programs in a positive, team-oriented environment. Participation is voluntary, non-evaluative, and not required for team membership. All students must complete athletics clearance prior to participation, and families are responsible for transportation. While donations are optional and no student will be denied participation, camps do rely on sufficient funding to operate. For summer camp details and registration information click [HERE](#).
