MUSIC: The Portola High School Orchestra Program has received an invitation to perform at the "Sounds of Spring" International Music Festival in New York City in March of 2020.
Our students will have the opportunity to visit many New York staples such as Times Square, Central Park, Rockefeller Center, Broadway, Statue of Liberty, Ellis Island & 9/11 Memorial. A trip like this is designed to BREAK DOWN classroom walls, and enrich the lives of our students as never before. We are very fortunate to be in a district which supports our student's musical endeavors, however, we have no budget for an event like this, so we are looking for community support to help make this opportunity come to life for our students. We have never let finances hold us back from achieving our goals, and our students and families work hard to reach our dreams. Please share our GoFundMe page and donate [HERE](#)
