PASSION DAY: Our Fourth Annual PHS Passion Day is coming up Friday, February 21, 2020! Last year we had a wide variety of presenters that included members of our very talented staff, our families, friends, parents of our students, and a few groups of amazingly talented students. Some of the most popular sessions were the ones where the presenter did a hands-on activity or had an activity that created interaction among the students. We are reaching out to you early, as we must have all speakers confirmed by **January 30, 2020**. To make this day successful, we need your help! We are looking for students, parents, and family friends to come and talk about their interests and passions. This year we will run 45 and 90 minute concurrent conference style sessions with minimum day release for students. If you need a primer on what Passion Day is or need some inspiration for what types of topics could work best, [CLICK HERE](#). Please complete the presenter interest form linked here <https://tinyurl.com/passionday2020> OR Share this URL with any interested family or friends <https://tinyurl.com/passionday2020>
