Link Crew is a Freshman transition program that welcomes incoming freshmen and helps them to feel comfortable and supported through the first year of their high school experience. The Link Crew Leaders, PHS Juniors and Seniors, provide this mentorship.

Depending on the IUSD and Public Health recommendations for events on campus in August, the Link Crew Leaders could possibly lead freshman students through the entire registration process, participate in an assembly, provide lunch, take their yearbook photo, acquire an ID card and textbooks, purchase items, receive their schedule, and Chromebook, plus receive a campus tour.

Students are encouraged to bring their own bag to carry their Chromebook, textbooks, agenda, and purchased items.

Students will only be allowed to register on the day assigned for their grade level. Students who miss their day may attend the make-up Registration on Monday, August 17 or on the first day of school.

More specific details will be released in August closer to Registration.
