

**We are excited to offer all students the opportunity to access YouTube for educational purposes during the school day!**

**In order to get access, you must complete a short training.**

**Follow these steps to get school access:**

1. Go to the [Student Filter Training Canvas Course](http://bit.ly/IUSD_YouTube) at [http://bit.ly/IUSD\\_YouTube](http://bit.ly/IUSD_YouTube)
2. If you need to access a written [transcript](#) of the training, there is one linked on the Canvas Course.
3. You should watch the short video (5 minutes), then scroll down to the bottom of the assignment to complete the quiz.
4. Allow for up to 3 days before you login to the filter at [filter.iusd.org](http://filter.iusd.org) and sign in with your credentials (user name without the @iusd.org)
